The team continues to support an array of go-kart ventures around the Western Region of the United States.

K&N Filters is an IKF National Sponsor and will be handing out gift certificates to the top 3 in each class. That's 60 certificates to be donated. More products for the racers!!! Much thanks to the folks at K&N who have been a proud supporter of the IKF and karting community for many years.

Bridgestone, the IKF National Tire for Sprint Racing, will be donating 20 sets of tires to the event which 5 sets will be given away at the drivers meeting each *race day* morning. This is a **HUGE** donation made possible by the folks at Bridgestone.
